EXPERIENCE

UNDERGR. ECOM

Email Marketing Agency
London, United Kingdom
Feb 2025 - April 2026

Email Designer • Self-Employed

Designing and optimizing conversion-focused email experiences, from campaigns and flows to scalable design systems. Brings a strong balance of creative execution and performance-driven thinking.

PROPERTI AG

Real Estate
Zürich, Switzerland
Sep 2022 - June 2026

Graphic & UX/UI Designer • Self-Employed

Specialized in crafting and executing dynamic digital campaigns, encompassing newsletters, social media assets, banners, and landing pages. Additionally, designed and developed website and landing pages to enhance online presence.

TEAMVIEWER AG

Software
Goeppingen, Germany
May 2019 - Present

Graphic Designer • Self-Employed

I am responsible for conceiving and implementing holistic, innovative digital campaigns, including newsletters, social media, banners, and landing pages. My role also includes designing print materials, booth graphics, and (OOH) advertisements.

EUPHORIA

Marketing Agency
Banja Luka, B&H
May 2020 - May 2021

Graphic & Web Designer • Full Time

I was responsible for creating concepts, graphics, and layouts for product illustrations, logos, and websites. My role included designing social media posts, print materials, and developing the front-end of websites.

EDUCATION

APEIRON

Pan-European
University Apeiron
Banja Luka, B&H
Sep 2019 - Sep 2022

Computer Graphics & Multimedia • Bachelor's Degree

3-year-long study program (180 ECTS) with a comprehensive approach based on various IT scientific disciplines. During my studies, I successfully collaborated with professors and other students on various graphic design projects.
